BIENNIAL REPORT
OF THE
AUDITOR OF STATE
OF THE
STATE OF COLORADO
1928-1930

JOHN M. JACKSON, *State Auditor*

To His Excellency,
WM. H. ADAMS,
Governor of the State of Colorado.

Sir:

In compliance with the law, I take pleasure in submitting herewith my report for the fiscal period ending June 30th, 1930.

The change in the fiscal year from December 1st to November 30th to July 1st to June 30th, which was made by the Twenty-seventh General Assembly, made necessary a revision of revenues and appropriations. On account of this change this report covers a period of only nineteen months, from December 1, 1928, to June 30, 1930, instead of for the full period of two years as heretofore.

Chapter 155 of the Session Laws of 1929, repealing the State Highway Tax Levy, transfers the proceeds of the levy made for highway purposes in 1928 into the General Revenue Fund after July 1, 1929, and Chapter 153 of the Session Laws of 1929 authorizes an additional levy of one-half mill for general fund purposes for the years 1929 and 1930.

This additional revenue, together with the authorized transfer of the accruals of delinquent taxes to the sinking funds for 1897 and 1909 bonds and flat tax collections from the Foreign and Domestic Corporation License Tax Fund after the retirement of the National Defense Bonds of 1917 and the Insurrection Bonds of 1909, made sufficient revenue available to meet the appropriation for the fiscal period December 1, 1928, to June 30, 1931, in full. The total appropriation from the General Fund was \$7,888,770.21.

Through the receipts of Inheritance Tax and other revenues in excess of the estimates, these appropriations will be paid in full and there should be a surplus of approximately \$700,000.00.

The greater part of this surplus will undoubtedly be necessary to meet deficiency appropriations at several of the state institutions where

the appropriations made for the period are practically exhausted or will be before June 30, 1931.

CONCLUSION.

Particularly, I wish to acknowledge the many courtesies for which I am indebted to Your Excellency and the other state officials. The spirit of co-operation and the amicable relations existing between this office and that of the State Treasurer have been especially gratifying and I gratefully commend the fidelity and ability of my fellow office workers, whose efficiency has been of great assistance throughout my term as Auditor.

Respectfully submitted,

JOHN M. JACKSON,
Auditor of State.

Surplus (estimated).....\$700,000.00

The surplus cannot be determined until the amount of the deficiencies of the state institutions and departments is known—deficiencies to be paid from surplus revenues of this period.

It is impossible for the State Auditor to make a practical estimate of the probable expenditures for the biennial period 1931 and 1932. The fact that there is \$549,760.00 of continuing appropriations now on the statute books should be taken into consideration by the appropriation committees.

REPORT
OF
PUBLIC EXAMINER

November 10, 1930.

HON. JOHN M. JACKSON,
Auditor of State,
Denver, Colorado.

Dear Sir:

I have the honor to submit herewith the report of the department of Public Examiner for the period from December 1, 1928, to June 30, 1930.

For those activities that have necessarily made any considerable expenditure for capital purposes, operating expenses have been separated from costs of capital outlay in order to present a more equitable basis of comparison.

The classification of receipts and expenditures into a few groups made up of kindred activities makes possible a comparative analysis of the amounts received or expended each period upon items of a similar nature. This is shown in the percentage chart, schedules 3 and 4.

Schedules are included showing the total receipts and expenditures in the sixty-three counties of the state for the offices of Commissioner, Treasurer, Recorder, Sheriff, County Court and District Court for the years 1928-1929, with 1927 included for comparison.

In spite of the fact that the actual county expenditures have shown an increase each year, the taxes collected by the County Treasurers and remitted to the State Treasurer have shown a decrease during the last five years.

Respectfully submitted,

J. M. WOOD,
Public Examiner.
